Vice-Principal's Message

I am delighted that you are considering applying for our courses at the London School of Business.

Our priority is to help our students find their own way in life and build a great future.

Our prospectus describes what it is like to be a student at LSB in the words of the people who know it best - our students, past and present, and staff. It also gives you information about the things you'd expect to see in a prospectus - our courses, services and facilities. However, the prospectus can only go so far, and the best way to gain an insight into life at LSB is to come and visit us. Whatever your choice, we wish you every success with your studies.

Rabah Kelilba

Here, you'll find a city filled with independent thinkers with larger-than-life imaginations. Think theatrical innovation, contemporary art, pioneering music, writing, poetry, architecture and design.

IELTS Exam Preparation

Mini introduction

Our IELTS Preparation courses are for people who want to advance more in the IELTS language when studying for the Internship, Study or Immigration Exam.

We, at LSB, prepare our students for the IELTS test for many years and have a profound understanding of applicant requirements and test requirements; this is the aim of our IELTS Preparation Course.

We believe there are three key areas to prepare for a test: general language reinforcement, proper language improvements applicable to the examination, and exact test practice (including the grammar and vocabulary, which are the focus of the exam, research skills and exam skills).

The classes have a comprehensive IELTS approach, including language and skill work, such as syntax, pronunciation, conversation, listening, reading and writing.
