LSB

Principal's message

I am delighted that you are considering applying for one of our programme at the London School of Business. I hope you will have a great time by joining one of our programmes. We work hard to give the best experience and the necessary knowledge to our students to help them in the future. Our priority is to help our students find their way in life and build a great future.

Our prospectus describes what it is like to be a student at LSB in the words of the people who know it best - our students, past and present, and staff. It also gives you information about what you would expect to see in a prospectus - our courses, services and facilities.

Despite this, a prospectus can only go so far, and the best way to gain an insight into life at LSB is to come, visit and join us. It is your choice. We wish you every success with your studies.

Rabah Kelilba
Vice-Principal
